THANK YOU!

Thank you for choosing the Melissa & Doug Mine to Love® Play Bunk Bed! It's a terrific way to help nurture a child's creativity and imagination, and to inspire children to dote on their dolls for years to come.

NOW IT'S TIME TO PUT IT TOGETHER!

Don't worry, assembling your new play bunk beds is simple, and we're here to help. Here are a few tips before you begin:

- Read through all the instructions first.
- Clear a flat, covered space (carpeted is best) to lay out all the materials so everything is close at hand.
- You will need a Phillips head screwdriver (not included) to assemble the beds. We've included everything else you will need. All wooden parts are labeled with a sticker (A-D,H).
- The instructions include lots of helpful pictures—we show you, step-by-step, how to align pieces and parts for speedy and accurate assembly. Note that the hardware needed for each step is shown in the upper right corner of every section, each piece being added in a given step is highlighted in gray, and the “assembled view” (what it looks like in the completed product when the step is completed) is included in the lower right corner of every section.
- In the instructions, the name of a part is followed by a letter or number in parentheses. This letter corresponds to the sticker on the part, as well as the picture of the part shown on page 2.
- Helpful hints are highlighted with a large exclamation point.

IMPORTANT: Helpful hints are found here.
