THANK YOU!

Thank you for choosing the Melissa & Doug Play Mine to Love® Play Cradle! It's a terrific way to help nurture a child's creativity and imagination, and to inspire children to dote on their dolls for years to come.

NOW IT'S TIME TO PUT IT TOGETHER!

Don't worry, assembling your new play cradle is simple, and we're here to help. Here are a few tips before you begin:

- Read through all the instructions first.
- Clear a flat, covered space (carpeted is best) to lay out all the materials so everything is close at hand.
- You will need a Phillips head screwdriver (not included) to assemble the cradle. We've included everything else you will need. All wooden parts are labeled with a sticker (A-C).
- The instructions include lots of helpful pictures—we show you, step-by-step, how to align pieces and parts for speedy and accurate assembly. Note that the hardware needed for each step is shown in the upper right corner of every section, each piece being added in a given step is highlighted in gray, and the “assembled view” (what it looks like in the completed product when the step is completed) is included in the lower right corner of every section.
- In the instructions, the name of a part is followed by a letter or number in parentheses. This letter corresponds to the sticker on the part, as well as the picture of the part shown on page 2.
- Helpful hints are highlighted with a large exclamation point.

IMPORTANT: Helpful hints are found here.

WARNINGS!

Retain these instructions for future reference.

- This cradle is for pretend play only. Use only with toy dolls or stuffed animals.
 - This play cradle is not intended for child seating.
 - Do not allow children to sit or stand on any part of the cradle.
 - Never place computers, televisions, or other heavy objects on top of the cradle.
 - The cradle must be assembled as instructed.
-

MAINTENANCE:

Ensure the cradle continues to function properly and safely by regularly checking the hardware and tightening when necessary.

WOODEN PANELS - Be Smart—Sort Your Parts

A side panel (2)

B end panel (2)

C bottom

D mattress pad

HARDWARE (shown actual size)

1 screw (8)

IMPORTANT

Be smart—sort your parts!
Be sure you have all required parts BEFORE beginning assembly!

DO NOT use power tools to assemble.
Using power tools will cause product to crack!

To complete assembly, use hand-held screwdriver to fully tighten all screws until they're snug.

DO NOT OVER-TIGHTEN!
Over-tightening will cause product to crack!

STEP 1 - Every Journey Begins with the First Step

Insert the side panels (part A) into the notches on the inside of one of the end panels (part B). Using 4 screws (part 1), attach the side panels to the front panel.

HELPFUL HINT: Some may find it easier to do this step with the end panel and the side rails upside down to prevent rocking.

IMPORTANT: Grooves on the cradle side panels should face inward.

STEP 2 - Bottoms Up

With the white side up, slide the bottom (part C) into the grooves in the side panels.
